## **COMMITTEE NOTE**

The form is amended to implement amendments to the Bankruptcy Code contained in the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8, 119 Stat. 23 (April 20, 2005). The period for which the debtor must provide all names used and information about any prior bankruptcy cases is now eight years to match the required time between the granting of discharges to the same debtor in § 727(a)(8) of the Code as amended in 2005. The box indicating the debtor's selection of a chapter under which to file the case has been amended to delete "Sec. 304 - Case ancillary to foreign proceeding" and replace it with "Chapter 15 Petition for Recognition of a Foreign Main Proceeding" and "Chapter 15 Petition for Recognition of a Foreign Nonmain Proceeding" reflecting the 2005 repeal of § 304 and enactment of chapter 15 of the Code. A statement of venue to be used in a chapter 15 case also has been added.

The section of the form labeled "Type of Debtor" has been revised and subtitled "Form of Organization." This section is revised to make it clear that a limited liability corporation ("LLC") and limited liability partnership ("LLP") should identify itself as a "corporation." A new section titled "Nature of Business" has been created that includes both existing check boxes that identify certain types of debtors for which the Bankruptcy Code provides special treatment, such as stockbrokers and railroads, and a new checkbox for a "health care business" for which the 2005 amendments to the Code include specific requirements. This section of the form also contains checkboxes for single asset real estate debtors and nonprofit organizations which will be used by trustees and creditors and by the Director of the Administrative Office of the United States Courts in preparing statistical reports and analyses. The statistical section of the form also is amended to provide more detail concerning the number of creditors in a case. A check box also has been added for a debtor to indicate that the debtor is applying for a waiver of the filing fee, to implement the 2005 enactment of 28 U.S.C. § 1930(f) authorizing the bankruptcy court to waive the filing fee in certain circumstances.

Although the 2005 Act eliminated an eligible debtor's option to elect to be treated as a "small business" in a chapter 11 case, new provisions for such debtors added to the Code in 2005 make it desirable to identify eligible debtors at the outset of the case. Accordingly, the section of the form labeled "Chapter 11 Small Business" has been revised and renamed "Chapter 11 Debtors" for this purpose. Chapter 11 debtors that meet the definition of "small business debtor" in § 101 of the Code are directed to identify themselves in this section of the form. In addition, chapter 11 debtors whose aggregate noncontingent debts owed to non-insiders or affiliates are less than \$2 million are directed to identify themselves in this section.

A space is provided for individuals to certify that they have received budget and credit counseling prior to filing, as required by § 109(h) which was added to the Code in 2005, or to request a waiver of the requirement. Space also is provided for a debtor who is a tenant of residential real property to state whether the debtor's landlord has a judgment against the debtor for possession of the premises, whether under applicable nonbankruptcy law the debtor would be permitted to cure the monetary default, and whether the debtor has made the appropriate deposit with the court. This addition to the form implements § 362(l) which was added to the Code in 2005.

The signature sections and the declaration under penalty of perjury by an individual debtor concerning the notice received about bankruptcy relief, the declaration under penalty of perjury by a bankruptcy petition preparer, and the declaration and certification by an attorney all are amended to include new material mandated by the 2005 Act. A signature section also is provided for a representative of a foreign proceeding.

## October 2006 Supplement to Committee Note

Page one of the form is amended in several ways to assist the courts in evaluating their workload and fulfilling the statistical reporting requirements of 28 U.S.C. § 159. Section 159 was enacted as part of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (BAPCPA), Pub. L. No. 109-8 and takes effect October 17, 2006. Accordingly, in the section of the form labeled "Nature of Business," the instruction is amended to specify that only one box should be checked and only if the debtor is any of the entities listed. The "nonprofit" choice is separated into a discrete section and the language amended to the more precise "tax-exempt."

In addition, the section labeled "Type of Debtor" is amended to include, below the checkbox for "Individual or Joint," a direction to "See Exhibit D on page 2 of this form." Exhibit D replaces the certification concerning prepetition credit counseling and is described below. The section labeled "Nature of Debts" is amended to state the statutory definition of a "consumer debt" and to modify both the consumer and business categories by adding the word "primarily" to both make it clearer to individual debtors that "business" may be the more appropriate choice if personal debts have been incurred to finance a business venture.

In the section labeled "Chapter 11 Debtors," the language concerning whether the debtor owes less than \$2 million is re-styled for clarity. This section also is augmented to provide the court with notice when a case if filed as a "pre-packaged" chapter 11 reorganization case. Two checkboxes are offered, using language adapted from § 1126(b) of the Code. Lastly, the information requested concerning estimated assets and liabilities is abbreviated, with the number of ranges reduced and the scope of each range amended. Statistical reports now will be derived from actual dollar amounts of assets and liabilities as shown on the debtor's schedules. The information on the petition, accordingly, is for case management and public information purposes only.

Exhibit D replaces the section formerly labeled "Certification Concerning Debt Counseling by Individual/Joint Debtor(s)." Early cases decided under the 2005 amendments to the Bankruptcy Code indicate that individual debtors may not be aware of the requirement to obtain prepetition credit counseling, the few and very narrow exceptions to that requirement, or the potentially dire consequences to their efforts to obtain bankruptcy relief if they fail to complete the requirement. Accordingly, page 2 of the petition instructs individual debtors to attach a completed Exhibit D and makes it clear that each spouse in a joint case must complete and attach a separate Exhibit D. Exhibit D itself includes a warning about the requirement to obtain counseling and the consequences of failing to fulfill this requirement. It further provides checkboxes and instructions concerning the additional documents that are required in particular circumstances, in order to minimize the number of cases which the court must dismiss for ineligibility.
